Dent Wizard

Dent Wizard International, based in St. Louis, Mo., has been the leader in the development of Paintless Dent Removal (PDR) technology and service since its establishment in 1983.

After earning a reputation as the North American leader in quality PDR services, including industry-leading warranties, technician training and responsible business management, Dent Wizard expanded its cosmetic reconditioning services under the Frontline Fast program.

Services today include:

PDR; chip and scratch repair; bumper repair; wheel restoration; leather and vinyl repair; carpet and fabric repair; headlight brightening; pinstriping; exterior blackout; and locksmith services. Dent Wizard provides these on-site cosmetic reconditioning services and products to the automotive industry through its relationships with dealerships, auto auctions, rental companies, body shops, insurance companies and manufacturers.

Dent Wizard is the most professional, most business-oriented, and most customer-engaged company we can be. Our core values – Innovation, Integrity, Customer Devotion, and Excellence – are more than words, they are a commitment by us to ourselves and to you.

Ding Shield

Our Ding Shield program would be a turnkey proposition for your organization if timeliness to the market were important. Just a few highlights of our program to hopefully help you better understand the product itself:

- Unlimited claims on PDR repairs and hail deductible coverage for the term of the contract*
- Insured and underwritten by Great American Insurance Company
- All technicians providing claims fulfillment are certified & employed Dent Wizard techs
- All forms are state approved and state compliant in all states except Alaska and Oregon
- Program can be "Private labeled" to meet your company specific needs

Dent Wizard is a dynamic, growing company with a sharp eye toward the future. Just as Dent Wizard's PDR process changed ding and dent repair and our expanding cosmetic reconditioning service lines are transforming how vehicles are reconditioned with an eye towards enabling dealers to enjoy improved turn-times and profitability for the vehicles on their lots, Ding Shield is becoming the most recognizable ding and dent protection brand in the United States.
